[0:00:00] What up Gooners, today we're
[0:00:01] going to be taking advantage of
[0:00:02] the 1.8
[0:00:03] Elixir cycle
[0:00:04] with one day left
[0:00:05] in the four card cycle
[0:00:06] challenge. Yesterday I
[0:00:07] was saying I
[0:00:08] wanted to play Goblin
[0:00:09] Curse but I thought it was a
[0:00:10] bad idea so we're going
[0:00:11] to try it today and
[0:00:12] we're going to see if it works.
[0:00:14] And I want to
[0:00:15] say some things to
[0:00:16] begin this video but
[0:00:17] I'm going to hold
[0:00:18] on to those thoughts because
[0:00:19] this fucking challenge
[0:00:20] gets chaotic
[0:00:21] as fuck
[0:00:22] pretty quickly.
[0:00:23] so I could have gone
[0:00:24] with Goblin Curse
[0:00:25] and Rage and
[0:00:26] I decided I
[0:00:27] would go with E-Spirit
[0:00:28] as well because Rage
[0:00:29] is kind of like
[0:00:30] a useless card for
[0:00:31] the most part but
[0:00:32] E-Spirit works
[0:00:33] really well with Goblin
[0:00:34] Curse so I'm hoping
[0:00:35] that
[0:00:36] the Dark Goblin
[0:00:37] plus the damage amplification
[0:00:38] of
[0:00:39] the Goblin Curse can
[0:00:40] absolutely melt
[0:00:41] this Pekka all
[0:00:42] right let's see how this goes
[0:00:43] so we're gonna go for a Dark Goblin

[0:00:44] there we're gonna go for a
[0:00:45] Dark Goblin here we're
[0:00:46] gonna go for a Dark
[0:00:47] Goblin everywhere I don't
[0:00:48] know if I don't think I
[0:00:49] don't think the amplification
[0:00:50] stacks but
[0:00:51] you can see he's
[0:00:52] he's getting chip damage
[0:00:53] with these arrows but
[0:00:54] okay
[0:00:55] you know what he's getting more damage
[0:00:56] than chip he's getting
[0:00:57] a lot of fucking damage I'm
[0:00:58] not gonna lie but talks
[0:00:59] and
[0:01:00] we also defended so that's
[0:01:01] really good we defended
[0:01:02] he's
[0:01:03] now in this cycle of
[0:01:04] he's just constantly
[0:01:05] playing arrows because
[0:01:06] he
[0:01:07] knows he's trying to set up a pekka
[0:01:08] push that's his only way to
[0:01:09] win he's
[0:01:10] got arrows pekka
[0:01:11] he can't do he
[0:01:12] literally can't do
[0:01:13] anything about it like he
[0:01:14] he has to either
[0:01:15] continue the arrow
[0:01:16] cycle or just lose
[0:01:17] his tower and
[0:01:18] ses has
[0:01:19] just
[0:01:20] chosen fuck it i'm
[0:01:21] gonna lose my tower and i'm
[0:01:22] gonna invest in a bigger push here
[0:01:23] so you know what i'm gonna try
[0:01:24] and do i'm gonna try and bait him
[0:01:25] into playing like an execution
[0:01:26] or something there
[0:01:27] there we go i
[0:01:28] was hoping that the
[0:01:29] dark goblin could survive
[0:01:30] there but it didn't but
[0:01:31] there's probably it's
[0:01:32] gonna probably be of
[0:01:33] a bit a struggle for
[0:01:34] my friend here to try

[0:01:35] and kill
[0:01:36] everything because
[0:01:37] you know the dark
[0:01:38] goblins just require
[0:01:39] arrows wait
[0:01:40] i think
[0:01:41] i've done it i've
[0:01:42] fucking cooked man okay
[0:01:43] i say this at the start of every
[0:01:44] fucking video, but, like,
[0:01:45] this is going
[0:01:46] very well, okay, Dark
[0:01:47] Goblin, come the fuck back,
[0:01:48] all right, go for that, Pekka,
[0:01:49] Dark Goblin,
[0:01:50] okay,
[0:01:51] no, it's fine, because he's gonna that,
[0:01:52] have to arrow I just go
[0:01:53] with skeletons here again,
[0:01:54] wait,
[0:01:55] he's had
[0:01:56] fucking Mother Witch this
[0:01:57] whole ass time,
[0:01:58] okay,
[0:01:59] you know what, fair play,
[0:02:00] but also, like, that's
[0:02:01] not gonna do anything, because
[0:02:02] double Goblin
[0:02:03] Cursed Baby, and
[0:02:04] we've got our first win,
[0:02:05] wait, actually
[0:02:06] a fun troll
[0:02:07] dick on the Ken channel,
[0:02:08] that actually
[0:02:09] kind of works,
[0:02:10] we'll see, though, that was
[0:02:11] just game one, you never know,
[0:02:12] incest has
[0:02:13] never seen anything like it in
[0:02:14] his life let's throw him the jinxie
[0:02:15] and let's
[0:02:16] see if we can win another one
[0:02:17] because i don't know if that was
[0:02:18] just a fluke or
[0:02:19] if i have a massive
[0:02:20] penis and uh my
[0:02:21] parents raised
[0:02:22] me the right way anyway as
[0:02:23] i was saying i
[0:02:24] don't think i was saying anything it
[0:02:25] is

[0:02:26] currently 5 35
[0:02:27] a.m in
[0:02:28] the morning and
[0:02:29] i have no
[0:02:30] joke been playing 2.6
[0:02:31] hog rider in
[0:02:32] my hotel
[0:02:33] room by myself
[0:02:34] all night and
[0:02:36] then i decided you
[0:02:37] know what okay
[0:02:38] you know what i
[0:02:39] got to explain some fucking context
[0:02:40] why I did that,
[0:02:41] okay? First of all,
[0:02:42] because I'm a fucking loser,
[0:02:43] all right? No,
[0:02:44] it's because I invited
[0:02:45] some people to the pub,
[0:02:46] and I realized my
[0:02:47] sleep schedule's still fucked,
[0:02:48] because I'm somehow still
[0:02:49] jet-lagged.
[0:02:50] Okay, hold
[0:02:51] on to that thought,
[0:02:52] because triple healer
[0:02:53] threat is a little
[0:02:54] bit fucking...
[0:02:55] A little bit
[0:02:56] dangerous. So I'm going to go
[0:02:57] for a goblin curse for the damage
[0:02:58] amplification.
[0:02:59] Luckily, they're not hitting
[0:03:00] too much
[0:03:01] and so we're able to
[0:03:02] defend. Okay, we're able to defend.
[0:03:04] That's very good.
[0:03:05] Let's go for another dark
[0:03:06] Goggins. That's what the
[0:03:07] kids are calling it these days.
[0:03:08] I don't know why.
[0:03:09] And he's going to go with that, but
[0:03:10] the cooldown should
[0:03:11] not be... He
[0:03:12] should not be... Like,
[0:03:13] I'm getting a...
[0:03:14] Yes, let's keep him in
[0:03:15] this fucking cycle the whole game.
[0:03:16] Okay, no, he's evolving.
[0:03:17] Castro is
[0:03:18] evolving into a

[0:03:19] smarter human being but
[0:03:20] what I was going to why
[0:03:22] am I still playing this
[0:03:23] here like it's not
[0:03:24] I'm just giving him free tower
[0:03:25] damage all right let's
[0:03:26] go for it at the bridge this time
[0:03:27] try and catch him with his pants down
[0:03:28] let's do it again as well because
[0:03:29] this time he's
[0:03:30] not actually getting tower damage
[0:03:31] and he's
[0:03:32] evolved as a human
[0:03:33] he's accepted
[0:03:34] defeat on this cycle
[0:03:35] so I'm gonna play another one
[0:03:36] fuck it see how much I can get
[0:03:37] away with I he
[0:03:38] might be able to
[0:03:39] hit the hit the tower
[0:03:40] with this oh oh
[0:03:41] okay
[0:03:42] Castro
[0:03:43] is missing a few
[0:03:44] brain cells but aren't we
[0:03:45] as
[0:03:46] I was saying
[0:03:47] the reason I played hog
[0:03:48] 2.6 all night
[0:03:49] is because I wanted to go
[0:03:50] to the pub but
[0:03:51] I knew everybody was
[0:03:52] kind of free and
[0:03:53] I knew my sleep schedule
[0:03:54] was fucked so what did oh
[0:03:55] Ken think there's nothing
[0:03:56] better to do on a Saturday night
[0:03:57] than play clash
[0:03:58] play fucking 2.6
[0:03:59] hog is
[0:04:00] what I was thinking
[0:04:01] and
[0:04:02] now
[0:04:03] this is a weird thing this
[0:04:04] is kind of a sad thing
[0:04:05] to admit but
[0:04:06] not
[0:04:07] a lot of stuff
[0:04:08] I watch online makes
[0:04:09] me laugh like people
[0:04:10] watch comedians

[0:04:11] and stuff and it makes
[0:04:12] them laugh every
[0:04:13] time I watch a comedian or
[0:04:14] something I just like
[0:04:15] maybe
[0:04:16] I'm trying maybe
[0:04:17] I need to try to maybe
[0:04:18] laugh I need to
[0:04:19] try and enjoy it
[0:04:20] basically what
[0:04:21] I'm saying is I'm a miserable young
[0:04:22] lad and makes
[0:04:23] nothing me laugh anymore
[0:04:24] and
[0:04:25] I am going to
[0:04:26] be performing in the circus
[0:04:27] and they're gonna write a movie about
[0:04:28] me one day called Joker
[0:04:29] no that's not what
[0:04:30] happened what I was gonna
[0:04:31] say is that because I
[0:04:33] don't know it
[0:04:34] just doesn't interest
[0:04:35] I don't know I don't know
[0:04:36] I don't know I don't know
[0:04:37] maybe I don't
[0:04:38] know I actually don't
[0:04:39] know the answer to that one
[0:04:40] if you haven't got that message
[0:04:41] across yet i don't
[0:04:42] know that's what i'm trying
[0:04:43] to say but
[0:04:44] something
[0:04:45] cathartic happened to
[0:04:46] me today now
[0:04:47] a lot of things happen a
[0:04:48] lot of fucking
[0:04:49] things happen and
[0:04:50] this was the last
[0:04:51] thing let me just keep giving
[0:04:52] him fucking arrow value
[0:04:53] you know what double
[0:04:54] arrow value but he's not
[0:04:55] gonna do it you know why because
[0:04:56] i know i knew he
[0:04:57] was fingering had
[0:04:59] his finger on the healer
[0:05:00] is what i meant to say
[0:05:01] there let's not get
[0:05:02] it twisted all
[0:05:03] right let's see if we can get him in this

[0:05:04] this arrow trap again
[0:05:05] okay no he's evolving
[0:05:06] now we're gonna catch
[0:05:07] his flying machine right here
[0:05:08] and he's gonna think
[0:05:09] he's he's
[0:05:10] sniping my dark
[0:05:11] goblin but luckily i've got
[0:05:12] fucking darty
[0:05:13] 2 down for
[0:05:14] some madness and
[0:05:15] i'm aware i'm not
[0:05:16] really playing the goblin curse
[0:05:17] wait hang on a second
[0:05:18] are we gonna lose this fucking
[0:05:19] game no
[0:05:20] we not we know we
[0:05:21] are fucking not
[0:05:22] i refuse we
[0:05:23] get dark goblin down we
[0:05:24] get another one
[0:05:25] down we get another
[0:05:26] goblin curse how many
[0:05:27] go this is the thing try
[0:05:28] and spell cycle
[0:05:29] me fucking try it
[0:05:30] man look look
[0:05:31] at me i have the curse
[0:05:32] on my side that's
[0:05:33] the thing this
[0:05:34] guy's a bot anyway
[0:05:36] And I had the best part of my
[0:05:37] trip. I
[0:05:38] stayed up all night playing 2.6
[0:05:39] Hog, and
[0:05:40] I'm like,
[0:05:41] it's 4 fucking AM.
[0:05:42] I'm on vacation,
[0:05:43] and
[0:05:44] I'm playing Hog
[0:05:45] 2.6 in
[0:05:46] my hotel room alone, and
[0:05:47] I'm not even recording
[0:05:48] a fucking what like
[0:05:49] what am I fucking doing? And
[0:05:51] then it
[0:05:52] hit 4 a.m. and
[0:05:53] I just decided you know
[0:05:54] what the sky looks nice.
[0:05:55] It's that horrible
[0:05:56] feeling

[0:05:57] It's called the birds
[0:05:58] of shame when you hear the
[0:05:59] birds in the morning chirping
[0:06:00] and you've been up all night And
[0:06:01] you're like fuck sakes.
[0:06:02] Oh dear Christ.
[0:06:03] Okay, you know what? What
[0:06:04] if I just drop like
[0:06:05] a thousand goblin
[0:06:06] curses on that does that
[0:06:07] does that work? I
[0:06:08] mean he's tanking
[0:06:09] the dark oggan so
[0:06:10] I'm just gonna keep
[0:06:11] That's
[0:06:12] such a bad play.
[0:06:13] All right, this
[0:06:14] is going to be such
[0:06:15] a hard defense,
[0:06:16] but it's
[0:06:17] not impossible
[0:06:18] with the power
[0:06:19] of the Goblin Curse. So
[0:06:20] I'm going to go with this, and
[0:06:21] hopefully the
[0:06:22] damage amp...
[0:06:24] Honestly,
[0:06:26] L Pump.
[0:06:27] Hold that thought. Hold
[0:06:28] the thought that I was yapping
[0:06:29] about. L fucking
[0:06:30] Pump, if you ask
[0:06:31] me, because that
[0:06:32] was a
[0:06:33] really good opportunity for
[0:06:34] him to win the game. But now,
[0:06:35] despite
[0:06:36] him having 10 million
[0:06:37] Elixir,
[0:06:38] I
[0:06:39] don't really know if he's
[0:06:40] going to be able to break through.
[0:06:41] the dark goblin
[0:06:42] is just the
[0:06:43] the yeah
[0:06:44] i i don't
[0:06:45] really know like
[0:06:46] what i don't honestly if
[0:06:47] i'm being
[0:06:48] fucking honest and you
[0:06:49] know me i

[0:06:50] do like to do that whole
[0:06:51] honesty shit i
[0:06:52] don't really know what
[0:06:53] the fuck is going on anymore
[0:06:54] in this game like i don't
[0:06:55] know who's winning i
[0:06:56] don't know if i'm
[0:06:57] up or if i'm broke
[0:06:58] from like the 10 000
[0:06:59] pumps he farmed but
[0:07:00] he's still pumping i
[0:07:01] don't know what he's
[0:07:02] saving up for like i know the
[0:07:03] dick now it's just
[0:07:04] fucking firecracker goblin
[0:07:05] giant spam is
[0:07:06] he
[0:07:07] Wait, no, he's got pump,
[0:07:08] goblin giant, and firecracker.
[0:07:09] So, he
[0:07:10] hasn't revealed
[0:07:11] a card yet.
[0:07:12] Fuck,
[0:07:13] wait.
[0:07:14] Do I just,
[0:07:15] I can't cycle, okay,
[0:07:16] I've learned now that
[0:07:17] I officially cannot
[0:07:18] cycle goblin curses
[0:07:19] on his pumps.
[0:07:20] So, he
[0:07:21] doesn't seem to,
[0:07:22] wait, he doesn't seem
[0:07:23] to have, like, the best
[0:07:24] answer for
[0:07:25] my fucking dark goblins
[0:07:26] besides firecracker
[0:07:27] and the spear
[0:07:28] goblins in the back of
[0:07:29] the, he's got sparky,
[0:07:30] what
[0:07:31] the fuck?
[0:07:32] Alright,
[0:07:33] uh, oh
[0:07:34] no, oh
[0:07:35] no, my
[0:07:36] friend. Turns
[0:07:37] out 10,000
[0:07:38] pumps will not win you
[0:07:39] a game. You do need
[0:07:40] to break through.

[0:07:41] And this is
[0:07:42] the part of the game when I actually
[0:07:43] win with Goblin Curse.
[0:07:44] Dude, I'm
[0:07:45] fucking, I am
[0:07:46] hoping and
[0:07:47] praying that
[0:07:48] I have an opponent.
[0:07:49] Why is
[0:07:50] this low-key the best
[0:07:51] thing in this entire game?
[0:07:52] I am praying,
[0:07:53] man,
[0:07:54] that I have an opponent that's playing
[0:07:55] like Skeleton Army.
[0:07:56] And I just fucking double
[0:07:57] Goblin Curse with
[0:07:58] an E-Spirit or something.
[0:07:59] And I just get a shit
[0:08:00] ton of goblins.
[0:08:01] That's what I'm hoping But
[0:08:02] for. everybody's playing
[0:08:03] Virginity Cycle.
[0:08:04] It's okay.
[0:08:05] but what I was going to say
[0:08:06] is I had potentially one
[0:08:07] of the best moments
[0:08:08] of my trip actually
[0:08:09] some of
[0:08:10] the best moments of
[0:08:11] my trip so far have
[0:08:12] been the
[0:08:13] most basic shit
[0:08:14] that could have
[0:08:15] gone down where
[0:08:16] I live like
[0:08:17] I
[0:08:19] just went for a stroll
[0:08:20] by
[0:08:21] the the
[0:08:22] seafront right here
[0:08:23] and
[0:08:24] I
[0:08:25] can go to the beach any
[0:08:26] day I
[0:08:27] live I'm very lucky
[0:08:28] to live a place that has
[0:08:29] a beach and
[0:08:30] so does this place and
[0:08:31] I
[0:08:32] was up all night

[0:08:33] and I heard the
[0:08:34] birds of shame and I
[0:08:35] was like fuck
[0:08:36] I
[0:08:37] am a loser I'm
[0:08:38] like I've chronically
[0:08:39] been playing clash
[0:08:40] all night I'm
[0:08:41] gonna be sleeping through
[0:08:42] the whole day
[0:08:43] when everybody's actually awake
[0:08:44] and
[0:08:45] then I'm gonna
[0:08:46] be fucking I don't know it
[0:08:47] was just not a good thing
[0:08:48] and then I'm gonna be awake
[0:08:49] all night again because
[0:08:50] my sleep skills are fucked so
[0:08:51] I was just feeling like really
[0:08:52] down in that moment
[0:08:53] I was like okay well at gonna
[0:08:54] least I'm enjoy the sunlight
[0:08:55] while the sun's still
[0:08:56] fucking up is
[0:08:57] what I was thinking and
[0:08:59] it turns out
[0:09:01] that was a really good
[0:09:02] decision because i
[0:09:03] was walking i
[0:09:04] would hang on
[0:09:05] hold that fucking thought okay
[0:09:06] meganite
[0:09:07] do
[0:09:08] whatever you want i guess
[0:09:09] i was
[0:09:10] walking down there and
[0:09:11] i just kind of had a moment where
[0:09:12] i kind of realized
[0:09:13] wait like
[0:09:15] i'm
[0:09:16] a very like routine
[0:09:17] person there's
[0:09:18] no rule book here like
[0:09:20] there's there's only i can
[0:09:21] do whatever i want i'm
[0:09:22] a grown-ass man
[0:09:23] like i'm
[0:09:24] a grown-ass man
[0:09:25] i can do whatever i
[0:09:26] want i don't i feel like i've
[0:09:27] just been in a routine for

[0:09:28] so long that
[0:09:29] i kind of thought
[0:09:30] that was the only way I
[0:09:31] can do things, if
[0:09:32] that makes sense, I don't, I don't
[0:09:33] really know how, oh yes,
[0:09:34] Goblin Gang,
[0:09:35] for the Goblin Curse,
[0:09:36] the damage
[0:09:37] amplification,
[0:09:38] and also the Goblins that I'll
[0:09:39] get from it,
[0:09:40] yeah baby,
[0:09:41] that's kind of doing
[0:09:42] a thing, you know what, I'm
[0:09:43] hoping, go for
[0:09:44] it, go for it,
[0:09:45] fuck,
[0:09:46] okay, at least it has
[0:09:47] the damage amplification,
[0:09:48] thank god for that,
[0:09:49] and I think
[0:09:50] I've kind of scared
[0:09:51] him from playing
[0:09:52] as Goblin Gang by
[0:09:53] the looks of things,
[0:09:54] activate king, thank
[0:09:55] you very much, I should have done that
[0:09:56] way earlier to be
[0:09:57] fair, I don't
[0:09:58] know. I just kind of had
[0:09:59] this moment where I
[0:10:00] was like, not much
[0:10:01] stuff like, like some
[0:10:03] people get really excited
[0:10:04] by drugs.
[0:10:05] You know, some people get, and
[0:10:06] I don't,
[0:10:07] some people get very excited
[0:10:08] by a
[0:10:09] lot of things.
[0:10:10] Right. And
[0:10:11] I
[0:10:12] was kind
[0:10:13] of losing faith in my ability
[0:10:14] to be excited
[0:10:15] by things.
[0:10:16] When I was a kid,
[0:10:17] everything, I
[0:10:18] used to get excited by
[0:10:19] a lot of things and it

[0:10:20] made my life so fun.
[0:10:21] But then
[0:10:22] when I grew up, I was like, okay, nothing
[0:10:23] excites me, I get
[0:10:24] how the world works, this
[0:10:25] fucking sucks,
[0:10:26] um, but
[0:10:27] just,
[0:10:28] like, I don't know, going for stroll,
[0:10:29] that
[0:10:30] it was so unexpected
[0:10:31] the way it made
[0:10:32] me feel, and,
[0:10:33] like, how it reminded
[0:10:34] me, I
[0:10:35] don't know,
[0:10:37] it just reminded me that,
[0:10:38] like, I
[0:10:40] don't actually know
[0:10:41] what it reminded me, it just,
[0:10:42] it gave
[0:10:43] me some mental clarity,
[0:10:44] and I can't put my finger
[0:10:45] on why,
[0:10:47] like,
[0:10:48] I guess
[0:10:49] it's just the feeling that
[0:10:50] there
[0:10:51] is
[0:10:52] no rulebook, I'm gonna lose this
[0:10:53] fucking game, Unless I go
[0:10:54] for a goblin curse on
[0:10:55] his tower.
[0:10:56] This will be the perfect end.
[0:10:57] If I can get a goblin
[0:10:58] curse on his tower here.
[0:10:59] No, the firecracker.
[0:11:03] Voila.
[0:11:04] I don't know.
[0:11:05] The stroll by the beach.
[0:11:06] It just.
[0:11:07] I was
[0:11:08] kind of out there in the morning.
[0:11:09] And I just kind of
[0:11:10] had some time to just.
[0:11:12] I don't know.
[0:11:13] Realize.
[0:11:20] I don't know.
[0:11:23] !
