Video: skirrr (ID: 1)

Transcript (from 0:00:00 to 0:10:33):

[0:00:00] Today we're going to be playing 2.3
[0:00:01] nothing cycle
[0:00:02] because I, I
[0:00:03] don't know, I
[0:00:04] decided to play
[0:00:05] without giving
[0:00:06] a fuck. I love it when
[0:00:07] I like, oh, hold
[0:00:08] on, we're against Syl from Bum
[0:00:09] Nation, just thought I'd
[0:00:10] announce that because
[0:00:11] everybody's very excited to
[0:00:12] see this guy, I'm sure.
[0:00:13] I want to read this guy's
[0:00:14] clan description. Anyway,
[0:00:15] I'm playing the stick
[0:00:16] because yesterday or today
[0:00:17] I decided,
[0:00:18] you know what, I don't really
[0:00:19] like trophies anymore,
[0:00:20] I'm kind of allergic, so I decided
[0:00:21] I'd get rid of all
[0:00:22] of them. I thought I'd donate them
[0:00:23] all to charity and
[0:00:24] now I've got nothing,
[0:00:25] nothing left but
[0:00:26] my cycle cards. At
[0:00:27] the end of the day, that's
[0:00:28] all I need. You know, when
[0:00:29] all the smoke clears out
[0:00:30] and you've
[0:00:31] got nothing left,
[0:00:32] at least I'll have cycle
[0:00:33] dicks, right?
[0:00:34] And so that's what we're doing to- Oh,
[0:00:35] I didn't even see
[0:00:36] the Valkyrie. Oh, by
[0:00:37] the way, I forgot to mention,
[0:00:38] I'm incredibly fucking
[0:00:39] hungover. Oh
[0:00:40] my god.
[0:00:41] Now, it may seem like
[0:00:42] I drink a lot on this channel,

[0:00:43] and I don't,
[0:00:44] okay? I don't
[0:00:45] fucking drink. But the
[0:00:46] thing is, I actually do
[0:00:47] not drink as much as I make
[0:00:48] it sound like I
[0:00:49] drink. I just-
[0:00:51] What I'm trying to say is,
[0:00:52] I actually
[0:00:53] drank last
[0:00:54] night. I was
[0:00:55] up till 10 a.m.
[0:00:58] It's 6 49
[0:00:59] p.m. right now,
[0:01:00] and I slept for
[0:01:01] like six hours. Basically,
[0:01:02] I feel really, really good,
[0:01:03] really good,
[0:01:04] and
[0:01:05] that's where we're at. So,
[0:01:06] we're playing Clash.
[0:01:07] I decided to,
[0:01:08] I don't know, I was
[0:01:09] just like hungover. I'm like,
[0:01:10] yeah, it doesn't really matter that
[0:01:11] I lost, you know, I got
[0:01:12] all these trophies yesterday.
[0:01:13] Let's just
[0:01:14] lose them all. Let the goblins
[0:01:15] get a few shanks on my
[0:01:16] towel. That's what I said to myself,
[0:01:17] and that's
[0:01:18] where we're at now. So,
[0:01:19] I was like, you know what? Let's
[0:01:20] just play some like no-win
[0:01:21] condition fucking
[0:01:22] cycle shit,
[0:01:23] and let's see what
[0:01:24] we can make happen and
[0:01:25] that's what we're doing right
[0:01:26] now he's probably gonna and
[0:01:27] try defend that with some swarm
[0:01:28] cards i'm gonna go for a
[0:01:29] snowball or he could just
[0:01:30] do that um
[0:01:31] he still has to defend
[0:01:32] defend the evo bats
[0:01:33] which is great because cannoneer
[0:01:34] is ass cheeks
[0:01:35] man i don't know i
[0:01:36] don't i just

[0:01:37] don't like cannoneer i'm
[0:01:38] not gonna lie and
[0:01:39] i'm pretty sure there's an ice replacement
[0:01:40] that the dark
[0:01:41] goblin does not connect
[0:01:42] unfortunately my brain
[0:01:43] is too small to figure that one
[0:01:44] out um okay
[0:01:45] evo cannons gonna
[0:01:46] help clear that shit out
[0:01:47] hopefully it
[0:01:48] just depends on what the
[0:01:49] nukes are feeling like they
[0:01:50] want to be cunts
[0:01:51] smash like
[0:01:52] and
[0:01:53] so yeah
[0:01:54] i'm hungover i lost
[0:01:55] all my trophies and i want to
[0:01:56] talk about a few things today one
[0:01:57] is
[0:01:58] i know a lot of people watch
[0:01:59] these videos as if they're
[0:02:00] like a podcast almost
[0:02:01] which is uh
[0:02:02] very interesting and
[0:02:03] i
[0:02:04] i'd say the
[0:02:05] videos that are most like
[0:02:06] a podcast obviously
[0:02:07] are where i focus
[0:02:08] on commentary in the videos
[0:02:09] but talks
[0:02:10] no
[0:02:11] but i also have
[0:02:12] videos where it's just pure
[0:02:13] story time what
[0:02:14] what
[0:02:15] see like
[0:02:16] you know you're
[0:02:17] in the trenches when people are
[0:02:18] making plays like that like
[0:02:19] what what was that
[0:02:20] still okay
[0:02:21] you're just being silly
[0:02:22] hey but
[0:02:23] um a lot
[0:02:24] of people treat my videos
[0:02:25] like podcasts like i
[0:02:26] hear people saying they put the
[0:02:27] you know

[0:02:28] the videos on in the car when they're
[0:02:29] driving somewhere or
[0:02:30] like eating food or some
[0:02:31] shit I don't know like people
[0:02:32] I don't know what fucking people do
[0:02:33] I just play clash
[0:02:34] but would
[0:02:35] you chat want
[0:02:36] it
[0:02:37] if I put like
[0:02:38] my shit on, like,
[0:02:39] podcast,
[0:02:40] basically?
[0:02:41] Spotify is one
[0:02:42] podcast. Like,
[0:02:43] once I put it in podcast
[0:02:44] form, you can basically, like,
[0:02:45] watch,
[0:02:46] listen, whatever the
[0:02:47] hell, to my videos
[0:02:48] in any podcast
[0:02:49] platform.
[0:02:50] Which basically
[0:02:51] means
[0:02:52] that I
[0:02:53] thought Spotify, I thought you had
[0:02:54] to, like, put it on Spotify,
[0:02:55] but it turns out
[0:02:56] if you put
[0:02:57] your videos like,
[0:02:58] or whatever
[0:02:59] the hell you content you make
[0:03:00] on, I
[0:03:01] don't know, any, any platform
[0:03:02] as a, as
[0:03:03] a podcast,
[0:03:04] it appears as all of them.
[0:03:05] So it goes on all of them,
[0:03:06] Apple music, whatever,
[0:03:07] whatever the, I
[0:03:08] don't know the podcast platforms,
[0:03:09] but would you want something
[0:03:10] like genuinely, is
[0:03:11] that something people would actually
[0:03:12] use? Cause like theoretically,
[0:03:13] there's
[0:03:14] no reason why I wouldn't
[0:03:15] do it, but I
[0:03:16] would want to do it if people appreciate
[0:03:17] would actually it.
[0:03:18] So that's what I'm

[0:03:19] thinking. Let me know in the comments,
[0:03:20] man. Let me know in the comments.
[0:03:21] If you're thinking,
[0:03:22] Hey, hell yeah.
[0:03:23] Or hell no. I
[0:03:24] just want to watch the clash.
[0:03:25] shut the fuck up and
[0:03:26] stick to YouTube but
[0:03:27] um yeah no
[0:03:28] if I see like
[0:03:29] an and like
[0:03:30] an
[0:03:31] outrageous amount of
[0:03:32] people saying like yes
[0:03:33] we want this then yes
[0:03:34] I'll do it because
[0:03:35] I talked about uh
[0:03:36] my vintage face
[0:03:37] cam being low quality
[0:03:38] the other day and I was really geeked
[0:03:39] over it and I don't think people in
[0:03:40] the comments shared the same
[0:03:41] level as
[0:03:42] excitement as I did
[0:03:43] so I just kind of like I
[0:03:44] just like sometimes when
[0:03:45] I feel like I want the shit camera
[0:03:46] quality I
[0:03:47] turn that shit on okay
[0:03:48] I dial up the content
[0:03:49] to 100 and
[0:03:50] uh now we're
[0:03:51] back to default settings and
[0:03:52] the sun is out
[0:03:53] man I love it
[0:03:54] when it's right in my eyes.
[0:03:55] Anyway,
[0:03:56] okay, that's
[0:03:57] not good. Let's go with this.
[0:03:59] Yeah, I guess we'll just tank
[0:04:00] that shit. That's going to do too
[0:04:01] much damage, so we're
[0:04:02] going to go for a log.
[0:04:03] Yeah, I don't really know what this
[0:04:04] guy's playing or what we're even
[0:04:05] playing. I'm
[0:04:06] just like, when you're at this trophy
[0:04:07] range, I feel like you can
[0:04:08] just do whatever the fuck and you're
[0:04:09] going to win. And if I
[0:04:10] lose, then, well,

[0:04:11] take me away because I'm
[0:04:12] probably...
[0:04:13] I
[0:04:14] belong in the asylum because
[0:04:15] my brain is not
[0:04:16] working anymore.
[0:04:17] Okay, that was... He
[0:04:18] even got me
[0:04:19] with that bandit there. I
[0:04:20] don't really know how he did that.
[0:04:21] And we
[0:04:22] pulled it.
[0:04:23] We pulled it to the other
[0:04:24] lane. My god, am I good?
[0:04:25] So now I just stick
[0:04:26] a miner in the back.
[0:04:27] People are literally
[0:04:28] playing dicks like
[0:04:29] this, like, number
[0:04:30] one global. It's
[0:04:31] actually fucked. Like,
[0:04:32] there's something wrong with
[0:04:33] this game right
[0:04:34] now, probably. Like,
[0:04:35] this cannot be viable
[0:04:36] a strategy. Like,
[0:04:37] I have no- I have
[0:04:38] no win condition. At-
[0:04:39] at
[0:04:40] all.
[0:04:41] Anyway, I'm gonna go for a knight high
[0:04:42] as fuck here, because
[0:04:43] I don't want
[0:04:44] that thing dashing, but Golden
[0:04:45] Knight always finds a
[0:04:46] way. That's what I've learnt.
[0:04:47] Here we go.
[0:04:48] Will it find a way? No, he's
[0:04:49] not gonna go for the dash, because even
[0:04:50] he doesn't
[0:04:51] believe it's going to find a way.
[0:04:52] Here comes the Mega Knight or
[0:04:53] some shit.
[0:04:54] What is...
[0:04:55] 3M,
[0:04:56] dude? What
[0:04:57] kind of decade?
[0:04:58] Fucking bro's in
[0:04:59] the Jurassic period still.
[0:05:00] It's time to evolve like
[0:05:01] the rest of us, Mahiri.

[0:05:03] I don't know what you're cooking,
[0:05:04] lad. Let's go for
[0:05:05] this. That's going to get a shit ton
[0:05:06] of value. Never mind,
[0:05:07] I missed one of the muskets.
[0:05:08] The crossketeers.
[0:05:09] And he's
[0:05:10] going to go for his evolution
[0:05:11] zap. Whoa,
[0:05:12] it's doing so much.
[0:05:13] Then I'm
[0:05:14] just going to go for bats.
[0:05:15] I don't even know why
[0:05:16] I went for a minor there.
[0:05:17] He seems adamant
[0:05:18] on defending a 72
[0:05:19] HP tower.
[0:05:20] Oh my god, one HP,
[0:05:21] will he survive? No, he
[0:05:22] won't. And,
[0:05:23] um, yeah, no,
[0:05:24] I've, I've seen, like, the
[0:05:25] way people play with cannon
[0:05:26] is, like, stupid.
[0:05:27] Like, cannon
[0:05:28] is so cheap, you can just,
[0:05:29] and it's like, every time you play
[0:05:30] it, you get into evolution.
[0:05:31] You can fuck around, you can play
[0:05:32] it anywhere. Why
[0:05:33] the hell is this guy pumping
[0:05:34] now?
[0:05:35] Like, what is
[0:05:36] going on? But
[0:05:37] yeah, uh, people
[0:05:38] have realized that, okay,
[0:05:39] as much as, like, spam
[0:05:40] boss Spam it bait is
[0:05:41] good. The ultimate spam
[0:05:42] is just playing
[0:05:43] like cycle cards
[0:05:44] and like you
[0:05:45] basically just
[0:05:46] you have an answer to
[0:05:47] everything like you your
[0:05:48] whole deck is basically just
[0:05:49] defense and
[0:05:50] if you play it well enough you
[0:05:51] can defend fucking anything because
[0:05:52] enough cards
[0:05:53] in this dick are nasty

[0:05:54] that you can get
[0:05:55] away with it and
[0:05:56] then what you
[0:05:57] basically do is
[0:05:58] you just uh
[0:05:59] you
[0:06:00] get them to log off for the
[0:06:01] day. No that's not what I was gonna
[0:06:02] say. You just spam
[0:06:03] a bunch of defensive cards and
[0:06:04] you throw a miner. You don't even
[0:06:05] need a poison you just
[0:06:06] get like one hit and
[0:06:07] then you win the dam this
[0:06:08] is this this honestly
[0:06:09] this is clash route
[0:06:10] the top level and it's reason
[0:06:11] part of the i don't like
[0:06:12] it and i really hope a
[0:06:13] light
[0:06:14] can be shunned that changes
[0:06:15] it but basically clash
[0:06:16] route the top level turns
[0:06:17] into this you
[0:06:19] play a really really quick
[0:06:20] cycle deck you
[0:06:21] get really good at it
[0:06:22] you know every interaction you could be
[0:06:23] everything in the game the
[0:06:24] deck that finished number one
[0:06:25] in the world last season was expo
[0:06:26] cycle and half
[0:06:27] the games the guy won expo
[0:06:28] with cycle
[0:06:29] was literally just he
[0:06:30] just exposed
[0:06:31] once
[0:06:32] realizes
[0:06:33] he can't break through
[0:06:34] because the guy has Earthquake,
[0:06:35] Goblin Stein, fucking Goblin
[0:06:36] Giant, Pekka,
[0:06:37] like, he realizes he 100,000
[0:06:38] has, like, tanks,
[0:06:39] and he's like, okay, fuck this,
[0:06:40] I'm not going Expo ever
[0:06:41] again, I'm just gonna Fireball Cycle
[0:06:42] his ass, and
[0:06:43] then he wins by, like, 2
[0:06:44] HP in a Fireball Cycle
[0:06:45] race, that's

[0:06:46] literally it, like, from double,
[0:06:47] or even single
[0:06:48] Elixir, they'll be
[0:06:49] like, okay, Unwinnable
[0:06:50] versus, like, my never
[0:06:51] Expo's gonna break through,
[0:06:52] I'm a fucking idiot, so
[0:06:53] I'm just gonna play at
[0:06:54] Fireballs on his tower over
[0:06:55] and over again for the rest
[0:06:56] of the game, and that's
[0:06:57] basically what Clash
[0:06:58] Roy becomes at the top level
[0:06:59] um it
[0:07:00] becomes you
[0:07:01] you stole you
[0:07:02] defend everything with
[0:07:03] like quick cycle or
[0:07:04] whatever the hell and
[0:07:05] then you just win
[0:07:06] by like in overtime
[0:07:07] by like one
[0:07:08] spell damage because
[0:07:09] you know exactly what
[0:07:10] the matchup is you know exactly
[0:07:11] what you have to do and
[0:07:12] um yeah
[0:07:13] it's a lot of fun but
[0:07:14] i'm i'm hoping
[0:07:15] that that's not
[0:07:16] always the case i'm
[0:07:17] hoping there's a light at the
[0:07:18] end of the tunnel and you can have
[0:07:19] fun at this game if
[0:07:20] you push up but
[0:07:21] um yeah just
[0:07:22] didn't mean to okay
[0:07:23] this is this is actually
[0:07:24] really fun really enjoying
[0:07:25] this one let's
[0:07:26] go for a snowball here
[0:07:27] let's go for an ice spirit
[0:07:28] Hopefully he can jump
[0:07:29] and then let's not
[0:07:30] take the firecracker
[0:07:31] hit. Thank you
[0:07:32] very much. Okay, we activated He
[0:07:33] king was
[0:07:34] cycling his ass off here
[0:07:35] somehow actually out cycling
[0:07:36] me,

[0:07:37] but we're on a hot streak right And
[0:07:38] now um,
[0:07:39] I don't know how that's happened Uh,
[0:07:41] I just I I
[0:07:42] don't know I
[0:07:43] we've won. Yeah,
[0:07:44] what the hell is happening? Like
[0:07:45] even though we're not exactly
[0:07:46] as high as we were Like
[0:07:47] these are
[0:07:48] still good-ass players and we're
[0:07:49] playing fuck all cycle.
[0:07:50] So let's
[0:07:51] think though Let's
[0:07:52] think
[0:07:53] how do we beat this
[0:07:54] guy because he's gonna do the shit all
[0:07:55] game he's
[0:07:56] gonna spam the fuck out of me
[0:07:57] and he's
[0:07:58] just gonna cycle hog
[0:07:59] earthquake so i'm
[0:08:00] now what gonna do i'm gonna go
[0:08:01] like this and
[0:08:02] then hopefully it
[0:08:03] kills the firecracker well
[0:08:04] why did he
[0:08:05] why did
[0:08:06] he decide to change lanes
[0:08:07] i'm
[0:08:08] so confused by
[0:08:09] that play anyway
[0:08:10] he's gonna try defend
[0:08:11] and that if he goes for
[0:08:12] like an e-spirit then i might
[0:08:13] go minor bats
[0:08:14] other lane just
[0:08:15] because
[0:08:16] he
[0:08:17] we now know he's
[0:08:18] got yeah
[0:08:19] east spirit so
[0:08:20] you know what we're gonna go for a
[0:08:21] crazy play here he
[0:08:27] has first
[0:08:28] of all he has ice spirit
[0:08:29] second of all why did he
[0:08:30] play it so late
[0:08:31] third of all why did i like
[0:08:32] microphone
[0:08:34] please uh

[0:08:35] yeah no
[0:08:36] i have no idea what
[0:08:37] just happened there um
[0:08:38] that's
[0:08:39] gonna get damaged unless i snowball
[0:08:40] so okay microphone can
[0:08:41] we just like settle down
[0:08:42] dude Like, I don't know
[0:08:43] what I've done to upset
[0:08:44] the microphone family recently.
[0:08:45] The
[0:08:46] auxiliary family.
[0:08:47] Anyway,
[0:08:48] let's keep chipping this guy down.
[0:08:49] Let's go for this.
[0:08:50] He's probably going
[0:08:51] to want to go for a sneaky earthquake.
[0:08:53] And I will not
[0:08:54] like that. That's not pog.
[0:08:55] Let's go with this.
[0:08:56] Then let's push this over.
[0:08:58] Well, we could just let
[0:08:59] it do its thing. That's why
[0:09:00] we have snowball though.
[0:09:01] Because snowball
[0:09:02] is pretty,
[0:09:03] pretty annoying.
[0:09:04] I don't know what kind
[0:09:05] of delusion this
[0:09:06] guy's...
[0:09:07] I don't know what kind of drugs this
[0:09:08] guy's on. That's never going to work.
[0:09:09] Let's just throw a miner on his
[0:09:10] tower so we can get some chip damage. Go
[0:09:11] for an evolve cannon
[0:09:12] here. kill
[0:09:13] all that shit and
[0:09:14] then the ice spirit's gonna jump
[0:09:15] waste his
[0:09:16] ice spirit as well and
[0:09:17] look at that my
[0:09:18] miner got damaged and he didn't
[0:09:19] get to my tower because the miner
[0:09:20] i can place right
[0:09:21] on his tower baby
[0:09:22] right
[0:09:23] on his tower and
[0:09:25] that's really
[0:09:26] good anyway let's
[0:09:27] go for this again we're
[0:09:28] just kind of spamming

[0:09:29] the fuck out of him i don't
[0:09:30] want oh he's
[0:09:31] gonna kill my eubo bats there
[0:09:32] uh we're
[0:09:33] getting some more chip damage
[0:09:34] and
[0:09:35] honestly yeah
[0:09:36] let's do this let's
[0:09:37] do this let's
[0:09:38] actually pull
[0:09:39] the hog over this time with
[0:09:40] the spear goblins bang we
[0:09:41] did it oh my god i
[0:09:42] have a big penis and brain
[0:09:43] don't get it
[0:09:44] twisted one
[0:09:45] or the other no both
[0:09:46] uh
[0:09:47] okay what
[0:09:48] do i do now so
[0:09:49] he's gonna defend the fuck out of his
[0:09:50] firecracker okay
[0:09:52] dude
[0:09:53] let's just go with this
[0:09:54] and hopefully that freezes it
[0:09:55] in the uh okay hoping
[0:09:56] i was the king tower could help
[0:09:57] out now i've done this
[0:09:58] minor placement like 10 million
[0:09:59] times will nope
[0:10:00] he he's
[0:10:01] not gonna learn anyway
[0:10:02] let's snowball this into the
[0:10:03] into the night
[0:10:04] don't want him getting
[0:10:05] too too comfortable
[0:10:06] and oh hey
[0:10:07] okay chat
[0:10:08] you're gonna have to believe me
[0:10:09] i am winning game
[0:10:10] this
